MESSAGE FROM THE FOUNDER

‘Character Building - Our Basic Aim’

VALUE EDUCATION

1. MVM believes that Nations and Civilizations are built on character. People of fine character live by their values. They are honest and committed to the truthfulness in thoughts, words and deeds.
2. Character is not something that we are born with. It is a learnt behaviour. A complete training of head and heart is needed to build a sound character. Schools and homes are the best workshops for character building.
3. Character building takes place minute by minute and is revealed at the time of crisis. Character is not a gift, it is an accomplishment. It is built bit by bit through hard work.
4. The quality of a Nation or an organisation depends on the moral character of its citizens. Nation Building will remain a "Dream" unless we build the character of the countrymen.
5. Character helps us to identify our own and others strength and weakness. Again it teaches us what to look for and what to look over, when to fight and when to walk away, when to take advice and when to take one's own decisions.
6. “Science without humanity, Commerce without morality and Education without character is useless and dangerous” says Shri. Satya Sai Baba.
7. Dr. D.W. Allen, a renowned educationalist, has conducted experiments and proved that before making the students "Smart", make them "Good". It is the responsibility of both the parents and the teachers.
8. The main purpose of our school is not just to impart "Knowledge" on different formal subjects, but to impart "Good moral values" in all spheres.

If there is nobility in heart, there will be beauty in character.

If there is beauty in character, there will be harmony at home.

If there is harmony at home, there will be order in the nation.

If there is order in the nation, there will be peace in the world.

-Thus says a Chinese Proverb

Abraham Lincoln's World Famous Letter to his Son's Teacher

He will have to learn, I know,
that all men are not just,
all men are not true.

But teach him also that
for every scoundrel there is a hero;
that for every selfish Politician,
there is a dedicated leader...

Teach him for every enemy there is a friend,

Steer him away from envy,
if you can,
**teach him the secret of
quiet laughter.**

Let him learn early that
the bullies are the easiest to lick...

**Teach him, if you can,
the wonder of books...**

But also give him quiet time
to ponder the eternal mystery of birds in the sky,
bees in the sun,
and the flowers on a green hillside.

In the school teach him
it is far honourable to fail
than to cheat...

**Teach him to have faith
in his own ideas,**
even if everyone tells him
they are wrong...

**Teach him to be gentle
with gentle people,
and tough with the tough.**

Try to give my son
the strength not to follow the crowd
when everyone is getting on the band wagon...

Teach him to listen to all men...

all he hears on a screen of truth,
and **take only the good**
that comes through.

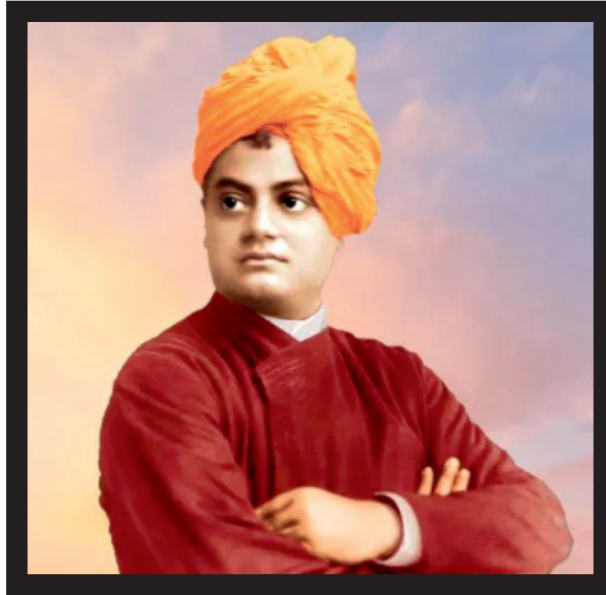

Teach him if you can,
how to laugh when he is sad...
Teach him there is no shame in tears,
Teach him to scoff at cynics
and to beware of too much sweetness...
Teach him to sell his brawn
and brain to the highest bidders
but never to **put a price-tag**
on his heart and soul.

Teach him to close his ears
to a howling mob
and to stand and fight
if he thinks he's right.
Treat him gently,
but do not cuddle him,
because only **the test**
of fire makes fine steel.

Let him have the courage
to be impatient...
let him have the patience to be brave.
Teach him always
to have sublime faith in himself,
because then he will have
sublime faith in mankind.

This is a big order,
but see what you can do...
He is such a fine little fellow,
my son!

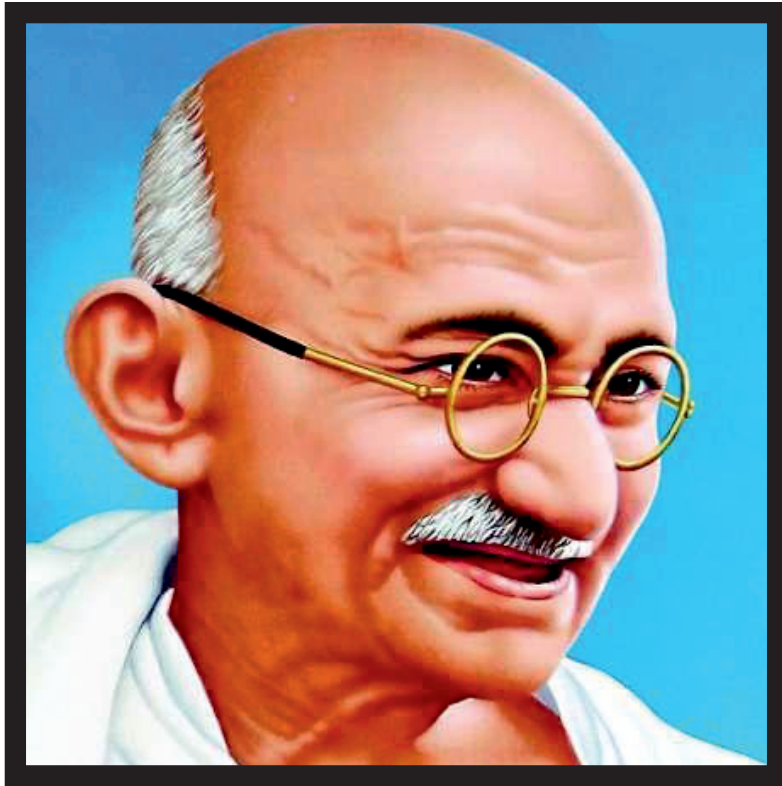

SWAMI VIVEKANANDA

Immortal words of Swami Vivekananda

1. ***Nothing Is Impossible:*** Never think there is anything impossible for the soul. It is the greatest hear say to think so. If there is sin, this is the only sin-to say that you are weak, or others are weak.
2. ***You Have The Power:*** All the powers in the universe are already ours. It is we who have put our hands before our eyes and cry that it is dark.
3. ***Learn Everyday:*** The goal of mankind is knowledge... now this knowledge is inherent in man. No knowledge comes from outside: it is all inside. What we say a man 'knows', should, in strict psychological language, be what he 'discovers' or 'unveils'; what man 'learns' is really what he discovers by taking the cover off his own soul, which is a mine of infinite knowledge.
4. ***Be Truthful:*** Everything can be sacrificed for truth, but truth cannot be sacrificed for anything.
5. ***Think Different:*** All differences in this world are of degree, and not of kind.

MAHATMA GANDHI

Gandhiji's favourite quotes

1. You must be the change you want to see in the world.
2. Nobody can hurt me without my permission.
3. Whenever you are confronted with an opponent, conquer him with love.
4. Earth provides enough to satisfy every man's need, but not every man's greed.
5. Live as if you were to die tomorrow. Learn as if you were to live forever.

SIDDHARTHA

Buddha's wisdom

1. "We are what we think. All that we are arises with our thoughts. We make the world."
2. "There is nothing more dreadful than the habit of doubt. Doubt separates people. It is a poison that disintegrates friendships and breaks up pleasant relations. It is a thorn that irritates and hurts; it is a sword that kills."
3. "It is better to conquer yourself than to win a thousand battles. Then the victory is yours. It cannot be taken from you, not by angels or by demons, heaven or hell."
4. "Thousands of candles can be lighted from a single candle and the life of the candle will not be shortened. Happiness never decreases by being shared."

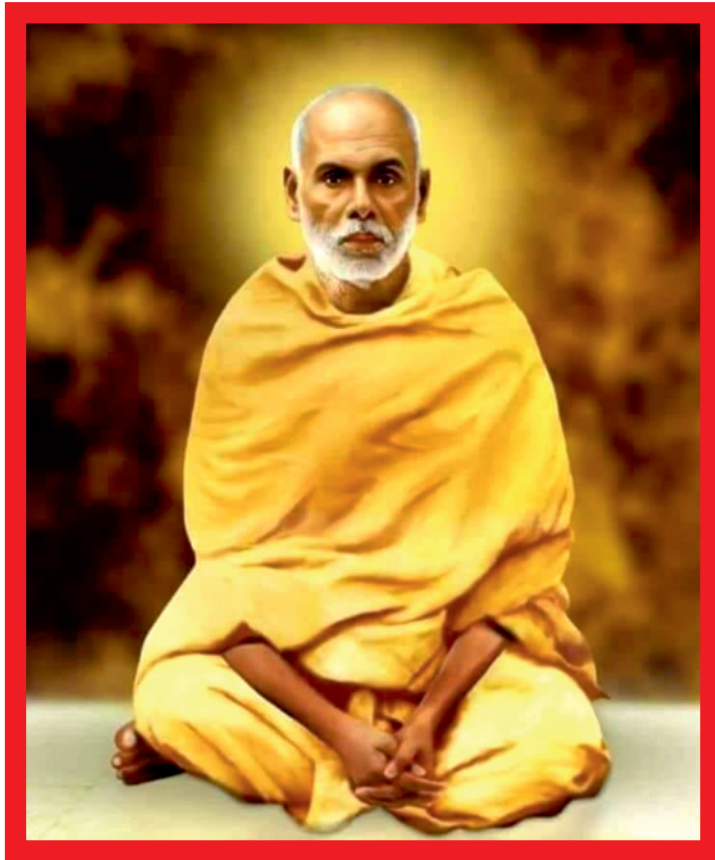

NETAJI SUBHASH CHANDRA BOSE

Netaji's Quotes

1. Give me blood and I shall give you freedom!
2. Nationalism is inspired by the highest ideals of the human race, Satyam (the true), Shivam (the God), Sundaram (the beautiful). Nationalism in India has ... roused the creative faculties which for centuries had been lying dormant in our people.
3. Freedom is not given, it is taken.
4. One individual may die for an idea; but that idea will, after his death, incarnate itself in a thousand lives. That is how the wheel of evolution moves on and the ideas and dreams of one nation are bequeathed tot the next.

EVALUATION

Our teachers monitor the progress of each and every child in their respective class on an on-going basis. The students are also given tests periodically to assess their learning ability and their progress report is reviewed with the parents. The students are awarded grades based on their overall performance in the tests. The areas for improvement for every child are recorded and special attention is given by teacher to help the child improve in those areas, thereby ensuring that the child is making continuous progress in every aspect of learning.

We believe in setting educational standards - and then encouraging learners to exceed them.

INTERNAL ASSESSMENT - LANGUAGES

Listening, Speaking, Reading and Writing are the four major skills needed to master any language. As a part of Internal Assessment the following tests are conducted:

Listening Test: A short audio clipping will be played twice in the class. Students are expected to listen attentively to the clipping. It could be a story, a conversation, news reading etc. After that, they will be given a test paper to answer questions based on the audio heard. The question will be multiple choice questions, fill in the blanks. Yes or No questions etc.

Speaking Test: Students will be given a topic in advance. They have to prepare a speech based on the topic. They will be assessed on the basis of the content, presentation, pronunciation, fluency, speech etc.

Reading Test: Students will be asked to read a passage from the textbook or a simple unseen passage. They will be assessed on the basis of their pronunciation, fluency, intonation etc.

Class Test: Class Tests are small fragmented Tests that are taken throughout the term. The Class Test marks will be included in the Term Examination marks. All subject teachers at the end of the term will ignore one test mark whichever is the least and will consider all other test marks for the total.

The above information will be useful for you to prepare your ward for the tests.

Listening, Speaking and Reading Tests will be conducted for the languages in two rounds per term. The marks of the best test will be included in the Term Examination

CLASS I TO VIII

For Classes I to VIII, the academic year is divided into 2 Terms for the purpose of evaluation. Each Term has an Examination Schedule consisting of 2 Periodic Assessment and 1 Terminal Exam. The subjects to be evaluated are: English, Hindi, Tamil, Maths, General Science, and ICT. The grading for these exams is done on the basis of the student's performance in the written paper as well as the Internal Assessment. A Parent Teacher Meeting (PTM) is conducted after the examinations and a detailed report card is shared with the parents. At the end of each Term Examination, an elaborate Report Card is shared with the parents. It provides subject wise feedback and follow up work to improve upon the learning in the classroom and gives a comprehensive picture of the learner's profile. It also gives information about the child's progress in co-curricular activities like Music, Dance, Art and Sports.

Co-Curricular Activities (CCA)

MVM School believes in quality education. This involves stellar academic quality and impeccable standards in stilling the talents hidden within every child for overall development. In view of this principle, CCA form an integral part of the learning experience. The activities are divided as:

- Group 1: Students of Std. I to II.
- Group 2: Students of Std. III to V.
- Group 3: Students of Std. VI to VII.
- Group 4: Students of Std. VIII to IX.

Students of each group, compete amongst themselves in a healthy and creative atmosphere. The events range from literary, cultural, academic, sports and games. According to the yearly CCA calendar, Period(s) are scheduled in our Saturday timetable for such competition. Most of the events are open events; in the lower category, every student is motivated to participate, wherein class teachers play an important role; while the higher sections, students have a choice to participate, herein the House Mistresses enforce their decision.

House points get added on every victory secured. The overall positioning of the Houses is recorded and announced and displayed on notice boards. The House standing first at the end of each academic session, in each category is awarded the rolling shield; while the best house takes over to be christened as 'MVM Champion' for that particular academic session.
